

# #iPLEDGE to SUPPORT

United Way  
of Greater Toledo

LOCALLY FOCUSED. LOCALLY INVESTED.  
#iPLEDGE

## Let's work together to make a positive and lasting impact on our community.

Help us provide food for local children and families, mobilize support for non-profit organizations that are being stretched beyond their existing capacities, and so much more by becoming an #iPledge partner!

### How does #iPledge partnership work?

- #iPledge partners pledge to support our community by **donating a specific dollar amount per sale or percentage of sales to United Way of Greater Toledo.**
- Partnership packages are customized to the needs of YOUR business.
- #iPledge partner donations help fund data driven investments in effective programs to address the most critical community needs.
- United Way of Greater Toledo helps drive traffic to your business with featured recognition on social media and visibility for your philanthropic efforts.
- #iPledge partners also receive donor benefits such as volunteer, networking and affinity group opportunities.

We would love to have your support as an #iPledge partner!

**Now more than ever, United as one, we can change the story of many.**
